# WHY FRANCE

*The French tennis circuit is by far the best in the world. There are over 5000 tournaments per summer, open TO LEVEL AND AGE, and all of them have prizes for winners. Every tournament has the opportunity to find tournaments for his/her level, play in different surfaces, and develop different tennis strategies. Moreover, this experience can provide you the opportunity to get in contact with French clubs to play team matches the following years at different locations. Many well-known players such as Gaston Gaudio, Richard Gasquet, Gael Monfils, Marie Pierce and Amelie Mauresmo, among others, played in this circuit before becoming full time ATP/WTA players.*
